WELCOME TO BECKER'S 20TH ANNUAL SPINE, ORTHOPEDIC & PAIN MANAGEMENT-DRIVEN ASC CONFERENCE

Welcome to Becker's 20th Annual Spine, Orthopedic & Pain Management-Driven ASC Conference! It is such a pleasure to hold this event again in Chicago. We're thrilled to fill the Swissôtel with engaging conversation and debate shaping the future of healthcare.

Over the three days of this world-class event, you'll have the opportunity to learn from and network with over 170+ speakers from leading surgery centers. Our fast-paced and thought-provoking sessions focus on:

- Business and profitability of ASCs
- Spine and neurosurgery strategies
- Emerging technology for spine, orthopedics and total joints
- Trends and future outlooks for pain management
- Thought leadership from industry experts

You'll walk away from each session energized with insights and action items to implement at your systems with your teams. We are also excited to connect you with industry leaders who will provide immense value to your organizations. Healthcare has never been static. Now more than ever, you have the opportunity to make a difference for your patients, caregivers and communities.

We are honored to have you join us for this event. Should you need anything at all during the event, please reach out to the Becker's team at events@beckershealthcare.com. We are here for you.

HERON THERAPEUTICS INVITES YOU TO A CLINICAL PRESENTATION

The Future of Postoperative Pain Management in Orthopedic Surgery

Date: Friday, June 16, 2023
8:45 AM - 9:25 AM CDT

Location: St. Gallen 2
Swissotel Chicago
Chicago, IL

Featuring: **Scott Sigman, MD**
Orthopedic Surgical
Associates of Lowell
North Chelmsford, MA

Reserve your spot today

Visit www.HeronSymposia.com

Learn about an extended-release local anesthetic designed to overcome challenges of inflammation at the surgical site. This option can address postoperative pain for up to 72 hours and reduce, or eliminate, the need for opioids in many patients.
